CHAPTER 13 PLAN AND MOTION
Attachment A

Student loan plan provisions:

- Debtor(s) acknowledge student loan debts are non-dischargeable. The Debtor is not seeking nor does this Plan provide for any discharge, in whole or in part, of the Debtor's student loan obligations.
- Debtor(s) student loans serviced by Department of Education/Navient for U.S. Department of Education are not included in the debtor(s) chapter 13 plan payments. These student loans are being paid or shall be by the Debtor through an Income-Driven Repayment plan (IDR) and shall be treated as a long-term debt outside of the Debtor's Chapter 13 plan. Debtor's anticipated student loan payment under IBR (Income-Based Repayment) is \$198.00 per month. This payment is subject to change depending upon Debtor's household size and annual adjusted gross income. The term of the repayment is twenty (20) years. However, provided the Debtor continues to work for a qualifying employer and pays his student loans through an Income-Based Repayment program, Debtor's student loans could be forgiven under the Public Service Loan Forgiveness Program in ten (10) years.
- The Debtor shall be allowed to seek pay and/or continue to pay the student loans in any applicable income-driven repayment (IDR) plan with the U.S. Department of Education and/or other student loan servicers, guarantors, etc. (collectively referred to hereafter as "Ed"), without disqualification due to the Debtor's bankruptcy. Additionally, payments made by the Debtor pursuant to an IDR plan shall be counted as a qualifying payment by the U.S. Department of Education toward any forgiveness program offered by the U.S. Department of Education provided the Debtor is otherwise qualified for such forgiveness program including, but not limited to, the Public Service Loan Forgiveness program. Specifically, this Debtor desires to apply for and IDR program or, in already paying through an IDR program, to continue to participate in Debtor's present IDR plan, seek recertification of Debtor's eligibility on an annual basis, and apply for a different IDR plan should one be determined to be of greater benefit to the Debtor and/or participate in any forgiveness program for which the Debtor qualifies without disqualification due to the Debtor's bankruptcy status.
- Ed shall not be required to allow enrollment in any IDR unless the Debtor otherwise qualifies for such plan. The Debtor may, if necessary and desired, seek a consolidation of his/her student loans by separate motion and subject to subsequent court order.
- Upon determination by Ed of the Debtor's qualification for enrollment in an IDR and calculation of any payment required under such by the Debtor, the Debtor shall, within 30 days, notify the Chapter 13 Trustee of the amount of such payment. At such time, the Trustee or the Debtor may, if necessary, file a Modification to Chapter 13 Plan After Confirmation to allow such direct payment of the student loan(s) and adjust the payment to other general unsecured claims as necessary to avoid any unfair discrimination.
- The Debtor shall re-enroll in the applicable IDR annually or as otherwise required and shall, within 30 days following a determination of the updated payment, notify the Chapter 13 Trustee of such payment. At such time, the Trustee or the Debtor may, if necessary, file a Modification to Chapter 13 Plan After Confirmation to allow such direct payment of the student loan(s) and adjust the payment to other general unsecured claims as necessary to avoid any unfair discrimination.
- During the pendency of any application by the Debtor to consolidate the Debtor's student loans, to enroll in IDR, direct payment of Debtor's student loans under an IDR, or during the pendency of any default in payments of the student loans under an IDR, it shall not be a violation of the automatic stay

issued in this case or any other State or Federal laws for Ed to send the Debtor normal monthly statements regarding payments due and any other communications including, without limitation, notices of late payments or delinquency. These communications may expressly include telephone calls, written correspondence and/or emails.

- In the event of any direct payments that are more than 30 days delinquent, the Debtor shall notify Debtor's attorney, who will in turn notify the Chapter 13 Trustee, and the Debtor will take appropriate action to rectify the delinquency.
- The Debtor's attorney will seek additional compensation by separate applications and court order for services provided in connection with Debtors student loans including, but not limited to, the enrollment and performance under an IDR, consolidation of Debtor's student loans and/or motions filed with the bankruptcy court for any approval for consolidation or payment under an IDR program or other repayments programs. It is anticipated Debtor's attorney may seek additional compensation on an annual basis as for services rendered in the Debtor's recertification and performance under IDR or other repayment plan or consolidation and/or the filing of motions with the bankruptcy court for any approval for consolidation or application for payment plans. Debtor's attorney will request all such additional compensation to be paid through the Debtor's Chapter 13 plan. Any additional attorney compensation sought by and approved by court shall be paid through the Debtor's Chapter 13 plan.
